Profile

Dedicated and passionate Marine Engineering graduate with a strong academic background and hands-on experience in maritime engineering principles, ship design, and naval architecture. Skilled in applying engineering principles to solve complex problems in marine systems, with a focus on propulsion, power generation, and ship stability. Eager to leverage technical expertise and passion for maritime engineering to contribute effectively to the design, construction, and operation of marine vessels, ensuring safety, efficiency, and sustainability in the maritime sector.

Skill Highlights

LETTER OF COMPLETION

This is to inform you that Nwachukwu Amarachi who served her internship in Nigerian Ports Authority from 16th June, 2021 to 31st May, 2022 has successfully completed her programme.

During this period, she was exposed to the practical aspects of her discipline. She displayed a high sense of commitment to work and maintained a cordial relationship with the employees of the Organisation.

Her attitude to work was highly commendable. We wish her success in her future endeavours.

Yours faithfully,

B. A. Omigie (Mrs.)
